

TIME *OF SALE*

Extended Protection

TRAVEL WITH *PEACE OF MIND*

Your vehicle might be running smoothly today, but unexpected breakdowns can happen anytime, often when you least expect them. Problems like engine trouble, transmission failure, or electrical system malfunctions can be costly to fix. While your factory warranty offers initial protection, it has limitations and won't last forever.

That's where the Time of Sale Plan comes in. Available for both new and used vehicles, this extended coverage plan helps pay for repairs on components such as your drivetrain, suspension, air conditioning, and more. This way, you can protect yourself from surprise expenses and drive with confidence.

WHAT'S NOT COVERED?

Ignition; batteries; zippers; windshield wiper arms and linkage assembly; headlamp; projection lamp and tail-lamp assemblies; cup holders; ashtrays; dash pads; consoles; sun visor/sunshade; seat frames and springs; convertible top and convertible top frame structures (provided, however, that cables, motors, electronics and switches associated with the functioning of the convertible top are included in the Ultimate Coverage); inside and outside door handles and hinges; shock absorbers; Pneumatic shock; MacPherson strut assembly (including upper mounts and bearings); pipes, tubes, and hoses (except steering, transmission, and air conditioning pipes and hoses), lines and rubber brake hoses (except power steering pressure hoses, steel air conditioning lines, and steel brake lines); fastening devices such as clips, nuts, bolts, fasteners, and rivets; standard transmission clutch assembly; manual clutch disc or pressure plate and related bushings and bearings; manual and hydraulic linkages; corroded cables; secondary ignition components; glass (including mirror assemblies and heated windshields); lenses; sealed beams; light bulbs; sockets; fuses; cellular phones; brake rotors and drums; components of exhaust and emission systems not specifically identified as part of the Emission System component group; components of any lift kit; catalytic converter; weather strips; run channels; trim; moldings; bright metal; chrome; upholstery and carpet; paint; outside ornamentation; bumpers; body sheet metal and panels; structural body parts; sunroof frame and assemblies; tires; wheels and rims; and wheel or rim-mounted sensors.

If a lift kit is installed, ball joints, universal joints, steady bearings, wheel bearings, and hub assemblies will be excluded from all coverage plans.

BENEFITS

Canada & United States Coverage

FCPP covers your vehicle anywhere in Canada and in the United States.

Direct Response

FCPP will efficiently handle your claim. For authorized services, repair costs are paid directly to the repair facility, saving you from out-of-pocket expenses and the inconvenience of waiting for reimbursement.

Reduced Deductible

You can choose a deductible of either \$100 or \$200 for each repair visit, plus any applicable taxes, for all covered repairs. If the same component fails again, there will be no deductible for its repair or replacement. The selected deductible will be reduced by \$50 when repairs are performed at your selling dealer.

Experienced Based Refund (EBR)/ Guaranteed Price Rebate (GPR)

(Available on qualifying plans)

If the plan you choose includes EBR/GPR, you can request a refund as soon as the plan expires. Refunds are calculated based on the original amount you paid for the plan, up to a maximum of \$2,000, minus your deductible.

Road Service & Towing

If your vehicle cannot safely operate on its own, we will reimburse the cost of towing it to the dealer (up to \$240) or to another location (up to \$100). Additional services provided include mechanical first aid, tire assistance, battery service, fuel delivery, and locksmith services.

Rental

If a covered breakdown requires overnight repairs, we will reimburse you for receipted expenses to rent a replacement vehicle or cover your taxi or public transportation costs. You can receive up to \$75 per day, with a maximum reimbursement of \$375 per repair.

Trip Interruption

If you experience a covered breakdown while more than 100 km away from your home and your vehicle needs to be kept at a repair facility overnight, we will reimburse you for motel and restaurant expenses with receipts. You can receive up to \$150 per day, with a maximum reimbursement of \$450 per repair.
